To Whom It May Concern:

We are a full service Destination Management Company located in St. Thomas U.S. Virgin Islands. It has been our pleasure to engage Robert Iribarren, aka “Hurricane Bob” as a solo performer and his band, The Smashing Mangos to entertain our corporate groups over the last fourteen years.

“Hurricane Bob” is someone we could always call on to perform for all types of clients. Whether it was a solo performer, a trio or six piece dance band as entertainment for a high end dinner or a more casual event, Bob was always our first choice.

He never let us down and always knew how to read a group and select just the right music to keep them dancing. Nothing was ever too great a challenge, he rose to every occasion. Not only is he a wonderful entertainer, but extremely professional and has great people skills. You might say he excels in every aspect of his career.

We were very sad to learn that Hurricane Bob was returning to the mainland. He will be a “tough act to follow”.

Best regards,

Judi Nagelberg
